

PARENTS OF YOUNG CHILDREN!

Join us for playtime at our new
outdoor playgrounds!

Café au Play is now offering baby and young child meet-ups at our safe, outdoor playgrounds

WEEKDAYS 9am - 1 pm*

495 Florida Rd.

(behind Christ the King)

Parents, find your trusted circle of friends outdoors at our new playgrounds!

The Durango Café au Play will soon be under the umbrella of the La Plata Family Centers. We have moved our indoor play space to their offices at 495 Florida Road, under Christ the King. And we have opened three fenced playgrounds there! Currently only outdoor activities are happening, which are safest under COVID. Please sign in when you arrive and bring a mask to use the indoor bathroom. Outside, feel free to go mask free! Children need to see your smiles!

The playground is themed for 1-5 year olds, with baby swings, play structures & houses and even bins of toys you can take out. There is a sand box and bike riding area. Come play with us!
